## Training & Placement Cell Academic Session: 2025–2026

In order to enhance the employability of students and facilitate campus placements, the **Training & Placement Cell (T&P Cell)** of Sophitorium Engineering College is hereby constituted for the academic session 2025–2026.

The Cell will function as a vital link between the institution and industry, ensuring that students are adequately trained and provided with suitable placement opportunities.

### Objectives of the Cell

- To provide training and guidance for improving employability skills.
- To organize campus recruitment drives and placement activities.
- To build strong industry–institute interaction.
- To prepare students for competitive recruitment processes.

### Composition of the Training & Placement Cell

Dr. Subas Chandra Mishra	Principal	Chairperson
Prof. Nabin Chandra Sahu	Asst. Professor	Member
Prof. Nishant Kumar Nag	Asst. Professor	Member
Prof. Jyostnamayee Mohapatra	Asst. Professor	Member
Prof. Suprava Rath	Asst. Professor	Member
Prof. Baijayantimala Mangaraj	Asst. Professor	Member

### Functions of the Cell

- Organize training programs on aptitude, technical skills, soft skills, and interview techniques.
- Conduct mock tests, group discussions, and personal interview sessions.
- Invite reputed companies for campus recruitment.
- Facilitate internships, industrial visits, and industry interaction programs.
- Maintain a database of students and placement records.

### Mode of Operation

- Regular training sessions and placement drives will be scheduled and notified.
- Students are required to register with the T&P Cell and actively participate in all activities.
- Communication will be made through official notice boards, emails, and digital platforms.

All students are advised to take full advantage of the opportunities provided by the **Training & Placement Cell** to build successful careers.
